

We need School Committee members who will make real changes!

WHY?

- *Overcrowded classrooms*
- *Flawed K-8 math curriculum*
- *Dozens of teaching positions cut every year*
- *Buildings deteriorating due to lack of maintenance*
- *Mismanagement of the Newton North project*

Please vote November 3 for great schools!

You can vote in ALL School Committee races - you need not live in a ward to vote for its candidate.
